

Step 1: Review Conditions

Creators choose a set of conditions they wish to apply to their work...

Attribution. You let others copy, distribute, display, and perform your copyrighted work – and derivative works based upon it – but only if they give credit the way you request.

Non-Commercial. You let others copy, distribute, display, and perform your work – and derivative works based upon it – but for noncommercial purposes only

No Derivative Works. You let others copy, distribute, display, and perform only verbatim copies of your work, not derivative works based upon it.

Share Alike. You allow others to distribute derivative works only under a license identical to the license that governs your work.

Step 2: Select License

...resulting in a license that indicates how others may use it.
